Another great turnout and for the third year running we have hit 50, 1 short of the record attendance. A couple of difficulties with a number of new Members who without supporting evidence of previous events made timings challenging. A big thanks must go to Stuart Hale for providing a comprehensive list of everyone's race times; giving me plenty of data to work with in calculating the handicap times.						
A great evening with the weather for running, light drizzle, little wind and pleasant temperature but challenging for the barbecue. The weather made PB's possible and a number were achieved on what is a fairly difficult course.						
The quickest male on the evening was relative newcomer, Paul Featherstone, who takes the Championship Title for the first time, completing the course in fairly quick 35.24, the quickest since 2011. Paul is having a tremendous season this year, let's hope it continues.						
The Men's event also saw another relative newcomer in Duncan Shorthose taking 2nd in 37.33 , followed very closely by Gareth Chivers in 37.35, 3rd place for the second year running, who had a 87 secs improvement on last years time!						
The Ladies race didn't bring the excitement of 2014, but victory for Nicki gave her her 14th Club Championship.						
In 2nd place for the Ladies was Kathryn Evans (43.14) in a reversal of positions from 2015 with Claire Quigley (43.42) in 3rd.						
1st across the line was Suzette Taylor, a very recent recruit, who felt the distance would require a 70 min handicap, (was actually given 62 mins) then went and ran 58 mins!						
During the busiest period we had 23 finishers in 1 min 18 secs! And half the field in 1 min 37 secs.						
This years event saw the largest ever number of Lady competitors in the Club Championship Handicap event. The Ladies also had the best improvement times from last year, with Kathreen Dean taking 12 mins 21 secs off her 2015 time! Katrina Whiteman - 8.30; Jenny Henery - 7.43 & Jenny Murphy - 4.59. The men's best improvement came from Neil Parry with a 3 mins 38 secs reduction of his 2015 time, followed by Christian Gamble - 3.07.						
James O'Dowd was nearest handicap, being 3 secs adrift to take that prestigious Title.						
Also I must say well done to Martin Coley & Andy Wilford who ran the Three Peaks last weekend as a warm up!						
The next Leicestershire Road Running League event is our own Joy Cann on Wednesday 3rd August at Huncote, as another good turnout is expected, we would appreciate anyone not running if they could offer their help in marshalling.						
Thanks to all the helpers; I have to give special thanks to Marie for the video to help us resolve one significant issue, with one athlete putting the number on upside down, 611 became 119 and stumped us for a while until Chris looking at the video realised what had happened!
